Criteria

1. Application:

Applicant wishes to register the following product(s) for sub registration.

Brand/name	Type/model	Content/ weight volume	Company name holder Rijkstypekeur	Rijkstypekeur number

2. Payment:

After completion of the application form for Rijkstypekeur, the applicant will receive the registration form and the invoice.

The invoice shall be paid within 30 days.

The invoice is made up based on 1 main extinguisher after which other extinguishers within one and the same family (same model and content) will be regarded as extensions. Sub registrations will be seen as extensions.

Publication of the issued Rijkstypekeur shall only be permitted when the invoice has been paid.

3. Documents for the application of type approval

The necessary documents must be delivered in duplicate(original+copy), on CD-ROM or by email (scanned documents will not be accepted). *Your digital application can be sent to: rijkstypekeur@kiwa.nl*

Required documents

1. An authentic copy of the inscription in the company trade register or comparable (sub registrator). yes no
2. A declaration of the owner of the Rijkstypekeur number holder in which he/she declares that the report may be used for the request of the sub registration. This declaration shall be duly signed and not older than 3 months. yes no
3. An example of the label that is made in accordance with the specifications of NEN-EN 3-7:2004+A1:2007, or comparable (see chapter 16 of EN 3-7:2004+A1:2007) yes no

The applicant authorises the application for Rijkstypekeur:

- Undersigned declares the request to be filled in completely (including annexes) and in accordance with truth and will take care of paying the invoice.
- In case Kiwa is unable to fulfil the request any cost incurred will be invoiced to the requestor.
- The registration of the Rijkstypekeur is due to expire in 5 years after which a new application is due.
- Kiwa NCP cannot be hold responsible for any claims arising from the investigation of rejection of the request.
